

# Medication Aide/Assistant Community & Business Education Training Program

**Where:** Texarkana College  
Truman Arnold Student Center - Great Room

**Time:** Registration begins at 7:30 am  
Training begins at 8 a.m. and ends at 5:00 p.m.

**Description:** This one day non-credit course is designed according to the specifications of the Texas Department of Health & Human Services Commission (HHSC) . Successful completion of the course fulfills annual renewal requirements for certified medication aides/assistants to maintain certified status. These continuing education hours of content are exclusive of lunch and break time.

**Content:**

- \* Identify the basic rules and responsibilities of the Medication Aide.
- \* Identify important techniques for effective communication .
- \* Identify the best practices associated with preventing medication errors.
- \* Identify major body systems.
- \* Identify drug classifications.
- \* Identify special considerations when caring for various populations.
- \* Review the Texas Administration Code and Laws

**Instructor:** Patrice Grider, RN

**Certification:** Participants will be awarded a certificate designating 7.0 contact hours following successful completion of this activity. Texarkana College will provide the Texas Department of Health & Human Services with a roster of the medication aides/assistants who successfully complete the update within 15 days.

**Cost** Pre-registration - \$35; Door Registration - \$45  
(includes hand-outs, refreshments and certificate)
